ELEGANT HAIR adds a charm to the plain-est face; but when faded, features before agreeable lose their comeliness, and the whole expression is that of advancing age. This being a fact, it is not surprising that even injurious articles should have been prepared to supply the millions who wish to avoid premature gray hair. Under these circumstances it will scarcely be wondered at that NATTANS CRYSTAL DIS-COVERY should have met with such extraor-

It is the only preparation furnishing a safe and eliable restorer for the hair; absolutely free from all poisonous and deleterious matter and without sediment, and thousands above thousands have availed themselves of it, not simply because it restores the color of the hair, but because it supplies nourishment. It feeds the roots of the hair, so that where decayed it becomes vigorous from Alexandria, and near the Episcopal Theoand healthy again. From all sections of the country orders and testimonials are received daily, speaking in the highest terms of its qualities as the only preparation that ever gave entire satisfaction. These who have used CRYSTAL DISCOVERY will not use anything else; but to those who have not tried this excellent article it is recommended that when they are again in want of something of the kind to give it a trial you will be more than pleased; you will be delighted with it, and will never again be without it. Don't let your druggist, if he has not got CRYSTAL DISCOVERY persuadeyon to buy omething else, or you will be disappointed; rather go where you can get it put up in large ers' Bank of Virginia, consisting of bottles, containing half as much more as any other in market and, consequently, much the cheapest.
